**ON THE SHOULDERS OF**  
**GIANTS**  
We can change the world!

## Easter Holiday Club 2017

This year's Holiday Club is looking at the idea that by standing on the shoulders of giants of faith we can see further, move faster, do more and begin to change the world. We will once again be offering free breakfast and hot lunch, although there will be an option to bring sandwiches if children prefer. We will also have our usual giant inflatables, giant video games, trip out and more.

Children can book online at our website [www.xsitekeighley.org.uk](http://www.xsitekeighley.org.uk) there is no charge for the event and no obligation to come for all four days (although why wouldn't you?).

We are also looking for team for the event as small group leaders, stewards, catering team etc if you can help get in touch.

# Moz's Musings

I was recently discussing with someone what the church needs to do to reach the 95% of children in the UK who have no contact with a Christian Church. This depressing figure is made worse in the knowledge that the number is increasing despite the best efforts of many skilled and hardworking churches and individuals. So what can we do, how do we change this? My gut reaction is that the problem is too great! What can we do?

I then come back to the feeling that the Disciples must have had how could 12 of them change the world? Well 12 of them did change the world! They changed the world by starting with one city at a time faithfully preaching the Gospel. They did it in partnership with the Spirit. They did it in partnership with other believers.

That then is our mission, and the theme for our ministry this year, that by involving the spirit, faithfully preaching the Gospel and working in partnership with other believers we can change the world. Starting with one child, one family, one community, one town and then one world!

If you want to change the world start by changing one persons world.

Moz!

## Prayer points

Prayer is vitally important and one of the most important ways you can help.

In 2017 please pray:

- That our town will be transformed by the love of God as many people join the Kingdom.
- For a growth in the numbers of families being reached by our ministry.
- That more churches and individuals will come forward to support the work of X:site.

## Can you be a Church or school contact?

We are looking to appoint an individual in each church congregation and school who can be a link to X:site. We would ask that as contact you publicise X:siet events in that location with fliers and newsletter items etc.

If you can help please contact us on the details overleaf.
